

KAMPUNG SADIR SARAWAK BORNÉO MALAYSIA

SALOMA VILLAGESTAY

"EXPERIENCE AN ORIGINAL JUNGLE TRIP"

Welcome to Kampung Sadir,
an authentic Bidayuh village
in Borneo, located on top
of the hills.

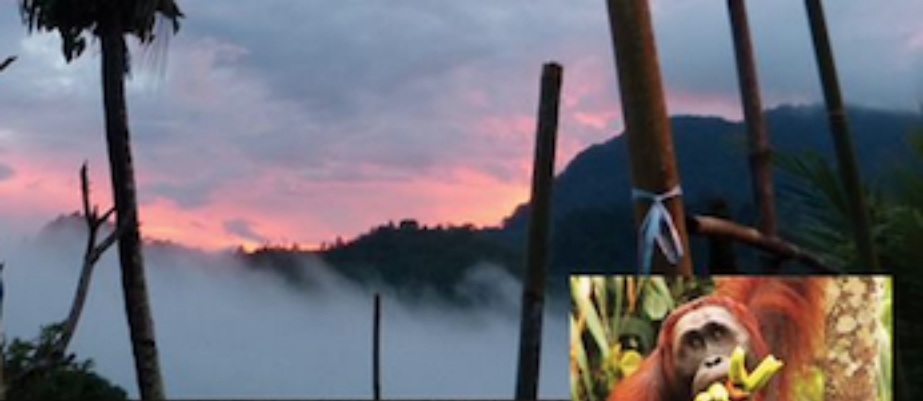

Over three days and two nights,
experience an original jungle trip,
rich in nature and tradition.

Get back to basics and follow
Saloma into her world.
Enjoy the calmness and beauty
of mother nature while staying
with Saloma's family.

Enjoy the smiles and warm
hospitality of the local
people on a guided village
tour which includes a stop
at the 'Long House' and
a visit to see locally made
handicraft.

Go 'jungle shopping' by
collecting local produce and
experience with Saloma
bamboo cooking on an
open fire.

Trek to one of the seven waterfalls through a tropical rainforest. When the sun goes down, go on a night walk to discover the jungle night life.

Just over an hour's drive from Kuching, discover the hidden paradise of Saloma's village homestay, where nature and culture are still preserved.
